ABSTRACT

Conjugal Relationships include non-separated marital relationships and relationships to regular partners (not to casual partners). They are recorded only for female Household Members. Only relationships to male members of the same household are eligible for registration. Once established, however, the relationship is not limited to the period of ongoing household membership of both partners, but may continue as long as the female partner remains under observation. A Couple can only have one Conjugal Relationship at a time. i.e. no overlaps. One woman (or man) can have two or more Conjugal relationships ongoing simultaneously.
